Commissioners Report

To the Residents' of Rye Beach Village District:

I have been waiting to begin this report until the last snowfall of the season has fallen, but that may not be possible, in this strange winter of snow storms. Our plow person must think everything is finished - we received his bill this morning! But now television is telling me something else!

Before I go any further for this report - I would like to stray for a moment, to say - we already miss Brad so much. He joined Frank and me 17 years ago as a Commissioner. And he has now left us much too soon. Always remembered. Never forgotten, Bradley.

Fun Fact: Do you know how many light poles are in the Precinct?

Many sections of sidewalk repair were done on Sea Road, South Road and Central Road for a total of 369 feet. We want to thank the Town of Rye for removing the old sidewalk for us. Thank you to Public Works Director, Dennis McCarthy, and his crew for a fine job. This years work has not been decided yet.

In 2012 (January) we paid \$17,772.65 (per hydrant: \$740.53). In 2013 (January) we paid \$19,661.05 (per hydrant: \$819.21). A rise of \$78.68 per hydrant, per year. Totaling \$1,888.32 per year, per hydrant. We "rent" 24 Fire Hydrants.

The Fire Chief in Rye, Chief Sullivan, has requested that we add a fire hydrant on Church Road at the intersection of Church Road and Ocean Boulevard. Pending approval from Aquarion Water Company, we hope to accomplish this by removing the last fire hydrant on Central Road going east, which is no longer near a dwelling. This would result in no additional hydrants, keeping the total to 24 Fire Hydrants.

Fun Fact: Do you know how many Building Permits were issued in 2012?

In 2012 we saw a decline in the number of light bulbs that needed changing. We changed 10 bulbs. This is a good thing. In 2011 we changed 18 bulbs.

In 2010 we changed 29 bulbs. Please remember to call me - 964-8546- to report any lights you see are out. We have 56 light poles to monitor.

Fun Fact: Do you know how many Fire Hydrants are in the Precinct?

In 2012, 28 Building Permits were issued. Thank you to our Zoning Administrator, Frank Drake. In 2011 there were 31 permits issued and in 2010, 19 permits issued.

Fun Fact: From the 28 permits issued in 2012, 7 were for generators!

Thanks to all the volunteers who sit on the Boards. And sometimes meet on dreary nights. And we will especially miss Harold Moldoff for his dedicated service as the BOA Chairman. We thank Harold and wish him much luck in his latest endeavors.

Our thanks, once more, to the Rye Driftwood Garden Club, for all their hard work at the Precinct Building/Post Office.

We look forward to seeing you at the annual meeting, on Tuesday, April 9th.

And think daffodils!

Have a spectacular summer.

Respectfully submitted,

Betty Smith
Commissioner

Rye Beach Precinct Board of Adjustment For year ending 31 December 2012

The Rye Beach Precinct Board of Adjustment met three (3) times to hear petitions and appeals.

1. **22 March 2012** The Board met to hear two petitions.

A. Petition of Abenaqui Country Club for property at 731 Central Road, requesting variances to erect 50 foot high by 112 foot long, golf ball net behind 833 Central Road, and then continuing 56 feet on land of Constance Fields.

Request for variances were approved.

B. Petition of Constance Fields, for property at 833 Central Road, requesting variances to erect 50 foot high by 56 feet long golf ball net and then continuing 112 feet on land of Abenaqui Country Club.

Request for variances were approved.

2. **8 November 2012**

The Board met to hear petition of Marcia Ristagno for property at 15 Church Road, requesting variances to construct single family home within setbacks of wetlands buffer, poorly drained soils, very poorly drained soils with special provisions.

Request for variances were approved with conditions.

3. **December 2012**

The Board met to hear petition of Bob and Eileen Eberhart for property at 70 Sea Road requesting a permit to install a generator that did not meet set back requirements.

Request for variance was approved.

The Board meets, as requested, usually on the third (3rd) Wednesday of each month.

Applications and supporting materials shall be submitted at least twenty-one (21) days prior to hearing.

The Board welcomes volunteers, Rye Beach Residents, for Alternate positions. Please contact Betty Smith.

Based on family priorities, we have moved to Florida. We will miss the friendships and cordial atmosphere of Rye Beach.

Respectfully submitted,
Harold Moldoff, Chair

Minutes of the Rye Beach Precinct Meeting April 10, 2012

The Rye Beach Precinct meeting was called to order at 7:35pm on Tuesday, April 10, 2012 by Substituting Moderator Frank Drake. The meeting was opened with The Pledge of Allegiance recited by all those in attendance.

Article 1: Al Casassa was nominated as our moderator for the ensuing year by Shawn Crapo and seconded by Linda Sheppard. He was elected by a majority vote.

Article 2: Joan Gittlein was nominated as District Clerk for the ensuing year by Betty Smith and seconded by Diane Bitter. She was elected by a majority vote.

Article 3: Motion was made by Gary Layman and seconded by Shawn Crapo to dispense of the reading and to accept the reports written from the Treasurer, Auditor, and Committees or Officers heretofore chosen and pass any votes relating thereto. Motion was passed by majority vote.

Article 4: Betty Smith was nominated as Commissioner for a three-year term by Joanie O'Neill and seconded by Shawn Crapo. She was elected by a majority vote.

Tyson Dines was nominated as Treasurer for the ensuing year by Anne Malpass and seconded by Barbara Caswell. He was elected by a majority vote.

Scott McQuade was nominated as Auditor for the ensuing year by Joanie O'Neill and seconded by Anne Malpass. He was elected by a majority vote.

Article 5: A motion was made by Shawn Crapo and seconded by Bob Helm to amend our tree care line item from \$5,000.00 to \$10,000.00 thus increasing the proposed 2012 budget of \$136,400.00 to \$141,400.00. After lengthy discussion the motion was passed by a unanimous voice call. Article 5 was declared adopted.

Article 6: Motion was made by Sally Hayes and seconded by Gary Layman to authorize the District Officers to raise money by District note in anticipation of taxes. Motion was passed.

Article 7: To see if the District would vote to authorize the Commissioners to apply for, receive and expend Federal and State grants which may become available during the course of the year, in accordance with RSA31:95-b, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the District may legally appropriate money. Motion was so moved by Carole O'Leary and seconded by Francie Hunter.

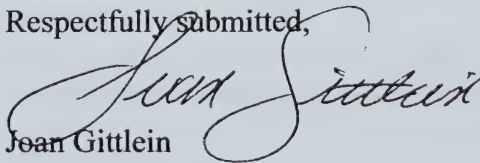

Article 8: A motion was called to transact such other business as may legally come before said meeting.

Joanie O'Neill raised concern that Rye inappropriately posted Beach Access and parking signs that leave confused messages to visitors wishing to use the public beaches. Those wishing to make any changes should contact the Town of Rye with their concerns.

Joan Gittlein extended a special thank you to our dedicated Board for endless hours of work. It is because of people like Betty Smith, Linda Shepard, Frank Drake, and Brad Richard that the Precinct remains self governing. We invite the community to attend our Annual Meeting to insure that we remain Independent. If you are unable to attend please write concerns and mail them to any Board Member to be addressed at our Annual Meeting. It is vital that we all support our community by becoming involved so we may keep the Rye Beach amenities that we all love and enjoy.

There being no further business Frank Drake adjourned the meeting at 8:35pm.

Respectfully submitted,

Joan Gittlein

District Clerk

Rye Beach Village District 2012 Tree Report

In May of 2012 Urban Tree Service, A Tree Health Company, Inc. conducted an inventory of the trees located at the eastern end of South Road and the trees located along Sea Road. The purpose of the inventory was to identify each tree located at these two locations, assess their overall health and condition, and to develop a management plan that would best preserve the sylvan nature of these two roads based on these findings.

A three year plan was recommended in the inventory that involved pruning and cabling, selective removal of trees that were deemed to be an unreasonable risk to failure, and a tree replacement schedule to maintain the current nature of the two roads.

In the fall of 2012 Urban Tree Service, implemented the first year of the management plan by pruning, cabling, and removing several trees that were of critical risk to failure. Pruning concentrated on those trees that were considered to be in "fair" or "poor" condition and involved removing large dead, diseased, and cracked limbs. Several trees had cables installed to help prevent weak crotches from splitting. All trees had some pruning performed on them to reduce hazards over the roads and sidewalks.

Year 2013's work program will consist of two parts. In part one, we recommend that a visual inspection of the 2012 trees be performed in the spring to confirm that the condition of the trees has not changed dramatically over the winter period. Assuming that there are no significant changes to the condition of the trees then pruning should concentrate on removing crossing and rubbing limbs to help improve the overall branching structure of the trees. In addition, limbs that are disproportional in length or height should be reduced to help reduce the likelihood of storm damage.

The trees that were initially identified as being an unacceptable risk in the 2012 inventory should be re-evaluated and it will be determined if any trees require immediate removal.

We are also recommending that several trees should be planted in the second year to replace trees that have been removed. Species, location, and size will be determined with input from Rye Beach.

In part two, we will do another section from the easterly end of Central Road to the intersection of Sea Road more or less. The same program of inventory, pruning, removing, planting shall be followed.

Respectfully submitted:

Ed Roy, I.S.A. Certified Arborist, Urban Tree Service, Inc.
